Hello OLG Students!

I'm so proud of you! You've accomplished so much this year. This is a time to celebrate. All of your hard work and focus has paid off. You are on to another chapter of your life, and do not doubt that God will always be with you each step of the way. "Be still and know that He is God." Listen to Him and rest in Him.

This school year has been an exciting one. Just as I became your principal, we got through a very sad time with the Thomas Fire and Mud Slides, which affected our families and friends. Thankfully, we were able to still have a beautiful Christmas Concert. We celebrated the nation, students, parents, staff, and religious during Catholic Schools week. Who cannot forget the cheering during our 8th grade verses faculty basketball game or "shakin it" on the dance floor during our Dress to Impress dance? Soon followed: The Nun Run, Movie Night/Fish Fry, Academic Decathlon, Chocolate Sales, the Fiesta, Scholastic Book Fair, Book Fundraising Competition, our Color Run/Jogathon, Spirit Week and "Disney Through the Ages" musical. These events were so much fun and rewarding.

Even more rewarding are the moments we share together in prayer. We are so blessed to be a part of a community that is able to come together to celebrate Father Manuel Rosiles' Ordination Anniversary, weekly masses, morning assembly prayer reflections, Live Stations, First Reconciliation, First Holy Communion, classroom prayer and more. Let us thank God each day for the blessing of attending this beautiful and unique Catholic, parish school.

I want to thank you students for all of those times you fulfilled the student learning expectations we had for you: OLG (Outreach, Leadership, Growth). When I see you outreaching, by serving the community or simply being kind to one another, I know that the Lord is delighting in you. You have grown so much this year in many ways, and I am reminded each day that you will be great leaders in this world. All of these learning expectations, along with staying close to Christ, will take you to great heights. As St. Catherine of Siena said, "If you are what you should be, you will set the world ablaze."

I have some words for our 8th grade students who will be moving on to new adventures. This class is very special to me, because it was the first class I taught, when I first arrived at OLG. From the third grade to eighth, I have seen them mature and grow into strong, brave individuals. I wish them a bright future and pray that they will always cling to Jesus for their entire life time, while utilizing the sacraments of our Catholic Faith. I'm so proud of each one of them, as I am of all students at OLG. May you all have a blessed and joyful summer.

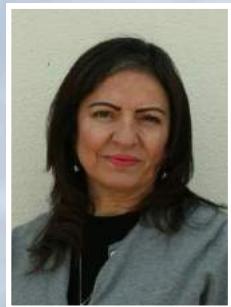

In Christ,
Mrs. Valerie Vespe
